

3rd Grade Supply List – 2011/2012

INDIVIDUAL SUPPLIES – these usually run between \$10-12 during back-to-school shopping sales.

- **5 folders**, the ones that have 3 ring prongs in the center and come in different colors. They usually run about 10¢ each. Please get one of each of the following colors:
 - o Red
 - o Blue
 - o Yellow
 - o Green
 - o Orange
- **3 spiral notebooks**. The solid color ones are the least expensive. Please get one of each of the following colors:
 - o Red
 - o Green
 - o Blue
- **Binder with index dividers**. 2" binder with a clear front where you can put inserts in, nothing fancy.
- **10 subject dividers for inside the binder**.
- **Heavy duty home/school folder**. Best ones that hold up are Mead brand that have heavy-duty plastic. Come in many different colors. They also have 3 ring prongs in the center with pockets on both sides (usually clear so you can put in plastic inserts). They run about \$2-3 each. Color doesn't matter, but we've found these folders hold up the entire school year and never need replacing.
- **Pack of coloring pencils**
- **Pack of standard markers**

COMMUNITY SUPPLIES (we will collect these and use these as a community throughout the school year)

- Wooden pencils
- Small pencil sharpener
- Glue stick
- Paper towels
- Facial tissues
- Baby wipes
- Hand sanitizer

We will also give a more-detailed wish list for individual teachers as school approaches. Also, we like to order the "Handwriting without Tears" cursive handwriting book. These usually run between \$7-8 each. We will collect money for these once school begins. We get a better rate ordering as a school vs. ordering separately.

Thanks!
