

3RD GRADE SUPPLY LIST FOR MICHELE & MR. B'S CLASSES

We are looking forward to seeing you back August! The only supplies you need to buy for the beginning of the school year are:

- two 1" white hard cover binders
- tissues & paper towels
- paper plates (no Styrofoam Please!)
- hand sanitizer

We are going to buy the community class supplies that we know the kids will need for Third Grade, which also includes the Handwriting Without Tears Cursive Book and "special" paper.

When the new school year starts, we will ask you for some \$money\$ to put back into the class fund. Since we use community supplies, there is no need for PENCIL BOXES!! Thank your for your help with this! 😊

Supplies that you will need for your home (for your child's homework):

-
- pencils/erasers and a highlighter
 - 4 function (add, sub, mult, & div) calculator
 - Ruler (with cm. and in.) If you find a yard/meter stick, that would be great too!!!
 - student dictionary
 - student thesaurus
 - loose leaf paper
-

The 3rd Grade Classroom Wish Lists...

will be posted on our classroom doors early August. Please check them out before school starts if you want to help get any of the wish list items! We love our classroom parents!
